Good afternoon,

We value the trust you place in us as your partner, and we are dedicated to maintaining open communication with you as market conditions evolve. Due to significant increases in transportation costs, including higher freight rates over the last month, we will be implementing the following freight surcharge adjustments, effective for any orders shipping on or after May 1, 2026 for our GAF Roof & Wall Coatings division.

GAF Roof & Wall Coatings Freight Policy

- PO's with less than 4 pallets ship FOB plant - customer paid freight: **No Change**
- PO's with 4 pallets or more: **\$450** freight surcharge (*previously \$250 surcharge*) on all orders shipped on or after May 1, 2026.

We value the relationship we've built with your team and thank you for your understanding. If you have any questions or need additional information, please feel free to reach out to your GAF representative or contact me directly at any time.

Best Regards,
